SUBJECT: CAMEROON LIKELY TO OBJECT TO COST OF MARITIME  
CARGO SCANNING REQUIREMENTS

REF: STATE 119837

**¶1.** (U) Poloff met with Chantal Nama, Sub-Director in the Bureau of UN Affairs at the Foreign Ministry on August 31 and to discuss reftel talking points. Nama promised to pass the information to the Department of Customs at the Ministry of Economy and Finance to assess Cameroon's capacity to adhere to the new U.S. requirements, but indicated that the response would likely be that the requirements are burdensome. She added that the Government of Cameroon would likely request funding for capacity-building to meet these requirements.
